

Oakbrook Animal Hospital - Grooming Release Form

Client Name: _____ Pet Name: _____

**We will call you as soon as your pet is ready to go home –
Phone number where you can be reached today: _____**

Is Text Messaging to this number ok? YES NO

If the pet owner cannot be contacted and there are questions about how to groom the pet, the groomer will perform a routine bath and brush. **If the pet is matted, the groomer may have to shave the pet for an additional charge of \$13.**

_____ **Cats Only** I agree that my cat may need to be sedated. I realize there will be additional charges, and that although complications are rare, there are some risks involved (including cardiac problems and potential death), and release Oakbrook Animal Hospital of all liability.

In order to keep our clinic free of external parasites, any pet with fleas, ticks or other ectoparasites will be treated at the owner's expense.

Oakbrook requires your pet to be current on Rabies, Distemper/Parvo and Bordetella in order to be groomed.
